The SASA Midland District Young Volunteer Award

This award is in recognition of all of our young volunteers. We recognise that they are the future of our sport and wish to show our support for their dedication and the encouragement they show to others. Every year we know that a significant number of our swimmers, divers and water polo players also show their hand at teaching, officiating, helping pool side or loch side and generally supporting their clubs and other club members.

The criteria for nominations are linked to consistent and continuous voluntary contribution in the last year. The nominee can contribute to any discipline within the club environment but must be a volunteer. They need not have any specific qualification, however, any relevant qualifications gained in the process (such as Judge or Aquatics Teacher) should be highlighted. They must be volunteering with a Midland District Club and/or at Midland District events. Any further volunteering with other bodies within the District's geographical area should be included in the nomination.

The nominee should be:

- An un-paid volunteer.
- A current member of a Midland District Club.
- Registered with SASA.
- Under 26 years of age on the 31st of December

The award will be presented at the District AGM, date to be confirmed, and again at the District Championships on the 3rd of February, or at another time to be agreed with the individual recipient.

As an applicant for a District Award the information submitted on this form may be shared on the District Web site, social media pages, local press or in emails sent by the District. This data will only be shared in relation to the award given. A record may include (but not be limited to) name, age and club affiliation.

Should you wish to nominate an individual for this volunteer award, I would be grateful if you could complete the enclosed form and submit it to our District Secretary in an envelope marked 'Private and confidential' or by email (secretary.midlandSASA@outlook.com) similarly marked, no later than **31st October**.

I would remind you that the person or body making a nomination is required to ensure that the nomination details remain confidential and are not divulged to third parties, including the nominee prior to nominations being considered by the District Executive.

Yours faithfully

Midland District
